

Advertising Opportunities

On Visage GPS Systems and clubhouse televisions

Ads are digitally displayed in full color and featured on all golf cart screens at Prairie Links Golf Course and/or on television screens in the Prairie Links clubhouse.

Each advertisement is anticipated to be seen by over 15,000 high-level customers for an average of 11-16 minutes.

Full Page GPS Ads

Full page ads are displayed for 7 seconds and “touch screen to return” message will appear at the top of the screen, approximately 50 pixels tall. Please consider location of vital information when creating artwork.
